

Our goal is to place each of our puppies in a well suited home where the puppy will meet the owner's expectations and the owners will provide a home that matches the puppy's personality and takes advantage of the puppy's talents and skills. To help with this process, we ask that you complete the following questionnaire to formalize your interest in one of our puppies. Acceptance of this form by Adrienne Mesko does not guarantee you a puppy but will enable you to be considered for one of our pups. Please attach additional sheets or use the back of the form if you need more space.

Since you are purchasing this puppy as a pet, do you understand that this animal is not being sold as a breeding quality animal so you cannot breed it during its lifetime?

---

---

---

We sell our pet puppies on non-breeding contracts with AKC Limited Registrations, which means they are not to be bred and their offspring cannot be registered with the AKC. Are you willing to accept this?

---

---

---

We require that should you be unable to keep your dog for any reason, it is returned to us without refund. We will take responsibility of rehoming the dog. Are you willing to accept this?

### **Our Expectations of You**

Keeping a Labrador Retriever is not an inexpensive venture, between quality food, veterinary care, and training. Are you confident that **you know how much this dog will cost** you to maintain and that you have the resources to do so?

Yes, I understand how much this dog's maintenance will cost and am very comfortable I can afford this dog.

Maybe, but I need more information about costs.

No, I am not sure how much this dog's maintenance will cost and/or I am not sure I can afford to keep this dog.

I don't know how much this will cost.

The first 16 weeks of your puppy's life is critical. Do you have any vacations planned in which you would not be able to include the puppy and thus would have to leave your puppy with someone other than an immediate family member? If so, when are they?

In what ways do you think having this dog will change your lifestyle?

Please provide names, addresses and phone numbers of people who could verify your qualifications and lifestyle--such as the breeders of your present dogs, dog trainers, training partners, friends, and neighbors. **Only ONE reference can be a relative or family member.** We strongly prefer **email contact** so please try to get correct email addresses. Missing email addresses will delay processing of your application. If you have pets, your last reference must be your veterinarian or the veterinarian you plan to use for your new dog.
